### 5-Pair Termination Tool

*Perform multipair terminations on both sides of a 110-style connector block.*

#### Key Features

- ▶ Multiple-pair termination on cable and cross-connect side of 110-style connecting blocks.
- ▶ Replacement heads and blades available.

#### Technically Speaking

**W**ith the 5-Pair Termination Tool you can terminate 3, 4, or 5 pairs on 110-type wiring and connecting blocks. This is the first tool that enables you to make multiple-pair terminations on the cable side and the cross-connect side of 110-style connecting blocks.

Just one push terminates five complete twisted-pair connections on the cable side and on the cross-connection side of the block.

#### **For these and other components...**

*Call our expert Technical Support Staff for all your Cable needs. They'll help you find the best equipment for your application.*
