Key Features

- ▶ *Scotchlok terminals make electrical wiring jobs easier.*
- ▶ *650 terminals for wire sizes 12 to 22 AWG.*
- ▶ *Crimp tool, wire-marker tape dispenser, and 200 cable ties included.*

Overview

Is there an electrical wiring job in your near future? If so, Black Box has the solution to make that job and all other electrical wiring jobs easier. It's called the Insulated Terminal Kit.

This Kit contains an assortment of Scotchlok[®]

terminals for wire sizes 12 to 22 AWG.

The addition of cable ties plus a wire-marker tape dispenser make this Kit a must-have for all cabling professionals.

But that's not all that's in the Kit—we've also included a

crimp tool, so you can perform a variety of wiring tasks!

The Insulated Terminal Kit comes with 650 assorted terminals in 14 sizes.

If you have any questions about the Kit, call Technical Support at 412-746-5500.

For these and other components...

Call our expert Technical Support Staff for all your Cable and Connector needs. They'll help you find the best equipment for your application.
