

MultiModem 5634ZPX PCI Card

Lightening-fast Internet access for
multimedia PCs

Overview:

Key Features:

- ▶ V.90/56K downloads (when connected to V.90 servers) with speeds up to 33.6K for uploads or peer-to-peer transfers
- ▶ Class 1 and Class 2 faxing at 14.4K
- ▶ Industry-standard error correction and data compression
- ▶ Remote configuration for centralized set-up and management
- ▶ DTMF tone detection
- ▶ Storage for two phone numbers for automatic dialling
- ▶ Plug and play drivers for Windows 95, Windows 98, Windows Me, Windows NT Workstation 4.0, Windows 2000 Professional and Windows 2000 Server. Support for Linux (2.2.x kernel), SCO OpenServer 5.x and SCO Unixware 7.1
- ▶ Flash memory for easy updates
- ▶ Global model with approvals in 20+ countries for use worldwide, with the appropriate cable adaptors (available separately)
- ▶ Voice mail support
- ▶ Full-duplex speakerphone operation, cables are available separately

The MultiModemZPX internal PCI data/fax modem is ideal for telecommuters and SOHO users. It includes a built-in processor to enhance performance and data throughput.

Remember! Black Box can provide trained professionals to install your product to ensure that it is set up properly and its performance is optimised. For further details, just ring 0118 965 5000 and ask for the installations team.

Specifications

Rates - Data: 33.6K bps; 56K downloading speeds from V.90/K56flex servers (56K models)

Fax: 14.4K bps

Standards - Data: Enhanced V.34; V.90/K56flex (56K models)

Error Correction: V.42, MNP® Class 3

Data Compression: MNP Class 5; V.42bis

Fax: V.17, Group 3, Class 1 (56K models) & Class 2

Voice: AT+V/TAM voice command set (56K models)

Video: V.80 (56K models)

Bus Type - PCI

Connectors - 2 RJ11s; speaker jack & microphone jack

SCO OpenServer 5.x and SCO Unixware 7.1

Physical Description & Operating Environment -

PCI Cards: 15.2 cmW x 12.2 cmH x 1.8D cm;

125g; 0-50°C; 20-90% non-condensing

Power Requirements - 150 mA @ 5 VDC; 5 mA @ ±12 VDC

Approvals - FCC Part 15B & 68; UL1950; CE Mark

Ordering Information

Product Name	Product Code
Multitech MultiModemZPX PCI (with UK adapter)	MT5634ZPX-PCI-GB

Why Buy From Black Box? Exceptional Value. Exceptional Tech Support.

Recognise any of these situations?

- You wait more than 30 minutes to get through to a vendor's tech support.
- The so-called "tech" can't help you or gives you the wrong answer.
- You don't have a purchase order number and the tech refuses to help you.

According to a recent survey by Data Communications

magazine, 90% of network managers surveyed say that getting the technical support they need is extremely important when choosing a vendor. But even though network managers pay anywhere from 10 to 20% of their overall purchase price for a basic service and support contract, the technical support and service they receive falls far short of their expectations—and certainly isn't worth what they

paid.

At Black Box, we guarantee the best value and the best support. You can even consult our Technical Support Experts before you buy if you need help selecting just the right component for your application.

Don't waste time and money—call Black Box today.
